For further CZU Fire Recovery Resources, please visit www.211santacruzcounty.org

Bringing Support to CZU Fire Survivors

Do you need assistance in recovering from the CZU Fire? Email CZUFireHelp@gmail.com to connect with a disaster case manager. Please provide your name, disaster-impacted address and best way to reach you.

Three local organizations - Catholic Charities, Community Bridges: Mountain Community Resources and Davenport Resource Center - are collaboratively working to help disaster survivors and their families by connecting them to available community resources, identifying household needs and program eligibility, assisting with advocacy and appeals, creating attainable recovery plans and identifying construction and repair resources for damaged or destroyed property.
