

2021 Grantmaking

\$24,200,781 Awarded to over 750 Organizations

Donor-Advised grants are recommended by local people and companies with Donor-Advised Funds (DAFs) at the Community Foundation. DAFs are a flexible, tax smart giving account and donors use them to fulfill long term and short term charitable goals. Grants recommended by fundholders undergo due diligence by staff, get approved by our board of directors, and quickly get issued to nonprofit partners.

Community Grants are considered by staff and awarded to high-performing local nonprofits. Funds come from the collective giving of generations of local donors. They are a steady source of funding for local nonprofits responsive to the needs of our community, and make a lasting impact on Santa Cruz County residents and their quality of life to support our county's recovery and wellbeing and address pressing challenges in a variety of areas including COVID and Fire response, racial equity, LGBTQ+ programs, arts, culture & history, environment, education & youth, seniors, health & human services, end-of-life-care and more.

Grants from Nonprofit reserve funds come from distributions from agency endowments which can be started by a nonprofit or a donor and agency flex funds, non-endowed funds established by the board of a nonprofit to support current or long-term work.
