

2024 Grantmaking

\$23.8 Million Awarded to 768 Organizations

Donor-Advised Grants are recommended by local people and companies with Donor-Advised Funds (DAFs) at the Community Foundation. DAFs are a flexible, tax smart giving account and donors use them to fulfill long term and short-term charitable goals. Grants recommended by fundholders undergo due diligence by staff, get approved by our board of directors and quickly get issued to nonprofit partners.

Community & Discretionary Grants are considered by staff and awarded to high-performing local nonprofits. Funds come from the collective giving of generations of local donors. They are a steady source of funding for local nonprofits responsive to the needs of our community, and make a lasting impact on Santa Cruz County residents and their quality of life to support our county's recovery and wellbeing and address pressing challenges in a variety of areas including COVID and Fire response, racial equity, LGBTQ+ programs, arts, culture & history, environment, education & youth, seniors, health & human services, end-of-life-care and more.

Grants from Nonprofit Reserve Funds come from distributions from agency endowments which can be started by a nonprofit or a donor and agency flex funds, non-endowed funds established by the board of a nonprofit to support current or long-term work.
