

Take Advantage of Your IRA

The Community Foundation Makes Donating Retirement Assets Easy

The deadline for a required minimum distribution is **quickly approaching!**

If you are 73 or older and haven't yet taken your required minimum distribution, consider using it to support your favorite charities.

By making distributions **from your IRA directly to charity,**

you'll gain the equivalent **of a dollar-for-dollar** charitable contribution deduction on this year's tax return.

Charitable IRA Rollovers allow donors to **avoid paying income taxes** on the distributions

while supporting your favorite causes in the community. These tax-free rollovers can be large or small - from \$100 to \$100,000.
