

2025 Grantmaking

\$31.7 Million Awarded to 887 Organizations

Grants from Nonprofit Reserve Funds come from distributions from one of two sources: agency endowments which can be started by a nonprofit or a donor; and agency flex funds, non-endowed funds established by the board of a nonprofit to support current or long-term work.

Discretionary Grants come from funds raised for specific priorities that do not have a clear source of funding: Rise Together, Greatest Needs, Supporting Immigrants, and Fire Recovery are the most active fundraising campaigns over the last 5 years.

Community Grants come from the collective giving of generations of local donors and are the total of all our endowed grantmaking funds. They are a steady source of funding for local nonprofits responsive to the needs of our community and make a lasting impact on local residents' quality of life and to support our county's recovery and wellbeing while address pressing challenges in a variety of areas. General operating support grants are awarded to high performing local nonprofits through an annual application and staff facilitated review process.

Donor-Advised Grants are recommended by local people and companies with Donor-Advised Funds (DAFs) at the Community Foundation. DAFs are a flexible, tax smart giving account and donors use them to fulfill long term and short-term charitable goals. Grants recommended by fundholders undergo due diligence by staff, get approved by our board of directors and quickly get issued to nonprofit partners.
